From Your Editor

Hiya Guys

The musical(?) tones of Windows opening have just emanated from my laptop computer here in Amsterdam. Because I know that many of our readers are also members of the 3I Club, I'm devoting the majority of this page to matters that will be of interest to you guys.

I'm writing this editorial late at night after returning from what I have decided is to be to be my final sojourn here, trying to find something along the lines of the 3I club in the open and totally liberated gay lifestyle here. For sure, the gay scene is completely open and free, and without question absolutely anything and everything goes!!

Unfortunately I've been forced to come to the conclusion that the 'English Vice' is just that - the scenes that we all enjoy so much here in the UK is exclusively something that only we know how to enjoy to the full!

My personal feelings about the incredible success of the 3I Club in the UK have now changed dramatically. For a long time I've heard rumours about how much we've been so greatly envied by other so-called SM/CP clubs in Europe and around the world. I frankly thought that what we offered our 3I Club members would be possible to replicate in other more liberated and socially un-constrained societies - but I was completely wrong! It seems that in the UK we have a uniquely dedicated and sophisticated attitude to our special scene that is utterly unrivalled - and this has made me even more proud to be so closely involved with the 3I Club.

For me the 3I Club is now hallowed ground!

Perhaps this would be a good point to scotch some rumours going around the scene about the magazines, the 3I club and our various other activities.

It's true that Mark and I intend to relocate and live in Amsterdam.

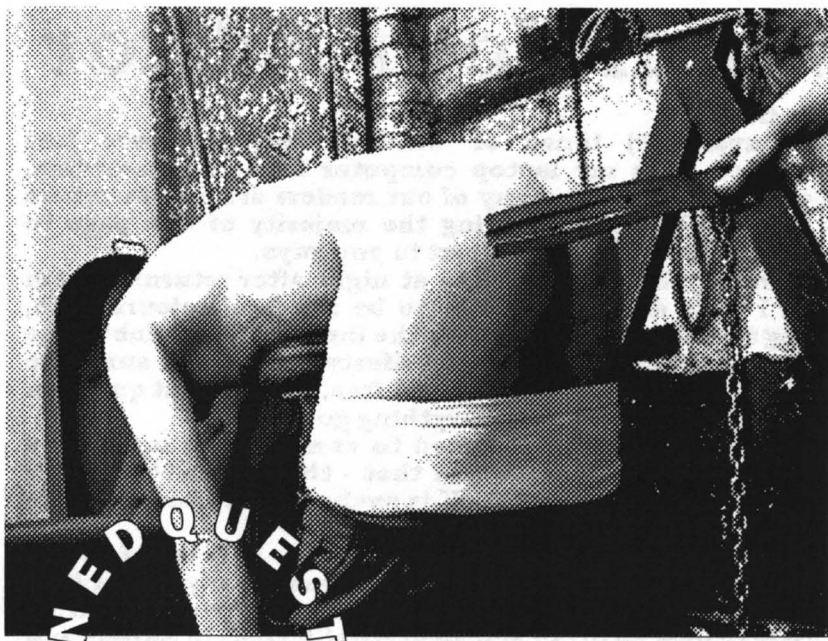

That's true ... and that's just about all there is to it!

Nothing will change as far as you guys are concerned. The magazines will continue ... the MeetLine will continue helping guys to get guys on their scene to get together ... *and of course the 3I Club will continue growing from strength to strength ... in simple terms, everything will be absolutely unchanged!*

That's not to say that very soon things won't be getting better and even more exciting ... they certainly will!!

Til next time ...

Tommy Turns the Tables!

The first thing Bobby noticed as he warily entered the notorious, now eerily deserted, punishment chamber was the pair of heavy solid-steel shiny handcuffs that had been left indifferently lying open on the stool.

Bobby shivered slightly, his mind instantly returning to the first time he'd felt that hard cold steel against the flesh of his trembling wrists, the sickening feeling of abject fear as they were closed tight shut with the repugnant finality that only instruments of such utter and inescapable confinement can instill.

Although Bobby had well deserved the hideously severe punishment, and it had thankfully made him more fully conscious of his true status in the lifestyle he'd eagerly chosen for himself than he could have achieved otherwise, it was nevertheless an ordeal that he preferred to try and forget.

Even now, after all this time, the harrowing and painful episode he'd suffered in this wretched correction chamber would occasionally pervade Bobby's dreams and force him to awaken with his body completely drenched in a cold sweat.

But Bobby knew that this was exactly what he had needed.

An excuse to give the very best of himself at all times and a very good reason never to have to endure anything like it again.

Bobby somehow managed to force the sickeningly painful memory from his mind and begin his duties.

He was alone in Uncle Peter's punishment room busily performing his first chore of the day, feeling extremely proud that he'd been chosen for this very special duty.

Uncle Peter had particularly ordered him to wear tight fitting grey flannel short trousers, a crisp white short sleeved shirt and shiny black shoes and white socks.

Bobby loved wearing these clothes.

Because they made him feel good.

Because they made him feel right.

And more importantly because it pleased Uncle Peter so much.

Bobby sometimes thought that Uncle Peter preferred him in these clothes even more than he does when he sees him stark naked!

As Bobby eagerly busied about his task he was somewhat preoccupied, and feeling just a little horny.

More than a little horny ... his cock was in fact growing hard enough for Bobby to feel extremely anxious ... the bulge was growing uncontrollably inside his tight trousers!

He desperately tried to suppress the feeling, knowing from painful experience that having even a partial erection without Uncle Peter's express permission would result in some form of punishment.

And the short trousers he was wearing were so tight fitting that any deviation from this strictest of house rules would be immediately obvious.

But despite this, his cock started to grow harder.

There had been an expectant rumour going around the house that a new nephew was coming to visit Uncle Peter this weekend, and Bobby's duties of checking the various restraints and the vast array of correction implements here in the severest punishment room in the house seemed to add weight to the story.

As Bobby continued with his assignment he again tried desperately hard not to remember the very first time he'd been taken to this frighteningly wretched and effective chamber of discipline.

The memory was almost as painful as the episode itself!

He closed his eyes tight shut and tried desperately to erase the agonising memory from his mind, but it proved impossible, and his cock grew even stiffer.

Just the merest mention of a possible visit to this chamber immediately brought a terrifyingly hair raising chill to any one of Uncle Peter's many young wards.

But of course they, like Bobby, realised that being sent here was only ever as a last resort, and the young recalcitrant's that arrived here always, without a single exception, had only themselves to blame.

For as strict as he was, Uncle Peter was always more than fair and just in the methods he used to discipline those lucky enough to be under his control.

Bobby was diligently checking the attachments of the heavy leather restraints fitted to the massive heavy wooden structure that was known as the Saint Andrews cross when, at the sound of a lock turning, he turned his head and watched incredulously as one of the doors to the punishment chamber started to open gradually.

This seemed extremely remarkable to him as none of Uncle Peter's nephew's would want to come anywhere near this chamber unless they were under the grave sentence of a severe punishment to be administered in here.

Nobody ever came here unless they were due for a severe thrashing - or as a spectator, forced to watch the pain and humiliation of the unfortunate recipient as a reminder of exactly what was possible here.

And Bobby knew it couldn't possibly be Uncle Peter because he was performing what was called an '*absolute trust*' duty - a duty whereupon Bobby was expected to execute any tasks given to him perfectly, without the need for any supervision - a special duty that was reserved for only the most experienced and well trained 'nephews'.

Which was why Bobby was feeling so very proud of himself right now.

He was absolutely confident that he was up to the task.

He needed to be!

Because Bobby was only too well aware the even the most trivial of shortcomings would be rewarded with a severe punishment.

But on the other hand a task well performed to Uncle Peter's complete satisfaction, Bobby knew, would be well rewarded in some way.

With these thoughts in the front of Bobby's mind he decided to send whoever it was away without delay lest they should distract him from his meticulously demanding duties.

But Bobby wasn't in any way prepared for the vision that hesitantly walked through the doorway!

The first things Bobby noticed were the young man's broad captivating smile and the large dark brown eyes, twinkling mischievously under the long eyelashes.

His manner seemed self assured, confident and easy, yet Bobby thought he detected a faint air of apprehension.

Despite the loose fitting casual clothing, it was obvious that the strangers body was slender and athletic.

The handsome young strangers voice was, if anything, even more captivating than his looks.

Softly and sensuously he asked

"Is this Uncle Peter's house?"

Bobby remained silent, instead continuing to stare at this unbelievably sensuous apparition of virile young manhood that had suddenly appeared as if from nowhere.

As if from nowhere!

As if from nowhere!

For some unaccountable reason the phrase stuck in Bobby's mind.

Bobby wondered how he'd gotten here.

The large old house had long ago been deliberately chosen by Uncle Peter for it's almost total seclusion.

This elaborate punishment chamber was extremely well hidden, a very long way from the main building, and certainly not one of the easiest places to find.

Bobby guessed that the youngster was here to be trained as Uncle Peter's latest nephew and had somehow managed to lose his bearings in this huge, rambling old house.

Now, as Bobby studied this incredibly handsome youth more closely, the last thing on his mind was sending him away!

His extremely casual attire - although decidedly sexy - seemed quite strange to him now. He'd been with Uncle Peter long enough to know that this would be quite unacceptable here in the big house.

Whatever was worn here was always at the absolute behest of Uncle Peter, and it was always rigidly formal and immaculate.

Perhaps his uniform was in the knapsack the he was carrying on his back?

The casual sweat shirt ... the loose fitting shorts with the hint of a tell-tale bulge developing at the crotch ... the informal boots and socks ... everything was completely out of place here! Yet it all combined to make Bobby feel incredibly horny! Despite all the intensive training in self control that Uncle Peter had been kind enough to give him over the past few months, suddenly Bobby found himself feeling what he knew to be absolutely forbidden!

He was having unacceptable thoughts of personal desire and self indulgence towards this incredibly handsome newcomer.

Bobby desperately wanted to put his hands inside those baggy shorts, to feel around freely and unfettered by the strictly enforced rules of the house, taking the strangers cock and balls into his hands until he was aroused and growing hard under his eager clutches.

Bobby was already getting aroused, his fertile mind racing, uncontrollably imagining the manly warmth of the soft flesh of the shaft of that provocative sex packet growing hard under his ardent grasp.

For the first time in a very long while, Bobby's sexual needs

were beginning to take precedence over his other well instilled proclivities of absolute subservience and submission.

Suddenly Bobby decided to cast his fate to the wind, to see just how far he could get with this handsome stranger.

Bobby guessed that as the stranger was here in Uncle Peter's house, then he had to be a natural submissive.

A genuine submissive that needed to be trained to the highest standards.

Otherwise he wouldn't have been accepted by Uncle Peter.

Bobby decided to take a chance and put the stranger to the test straight away.

"What's your name?"

The response was immediate. The stranger's eyes sparkled brightly as he spoke.

"Tommy ..."

There was the slightest of pauses as the young man continued to look directly into Bobby's eyes.

"... my name's Tommy ... Sir!"

The order came from Bobby almost instinctively.

"Well then Tommy, get down on your knees!"

Bobby's stomach was beginning to tighten with the seductively stimulating anticipation of what he was about to put this newcomer through.

The absolute certainty of the agonising retribution that he would suffer if Uncle Peter ever found out about what he was now doing was totally eclipsed by Bobby's uncontrollable new-felt lust ... his terrifyingly confounding need for the incredible possibilities now beginning to overpower him.

Bobby was distractedly rubbing at his growing crotch as Tommy obediently knelt down in front of him.

Playing with himself like this was a throwback - an instinctive reaction from Bobby's early days on the scene, when he needed to demonstrate his feelings toward his quarry, to assure him that he was sexually interested and available.

Only this time such a display was completely unnecessary.

This time there was absolutely no need for any kind of such crude exhibition.

Tommy wasn't going to have any choice!

Tommy was going to obey!

Tommy was going to obey without question!

As soon as Tommy was on his knees down on the floor he almost threw off the knapsack, submissively putting his hands behind his back, seeming only too keen to make himself available to Bobby's authority.

TWO'S COMPANY ??

Bobby instinctively pulled the handsome youth's head tightly against his chest, gently caressing the back of his head, indulgently wallowing in a long forgotten ritual of unconstrained physical contact where he was in control and not just acting under orders of another man.

He reached down to take hold of Tommy's arms and guided them so that he held them behind Bobby's back, telling him to clasp his hands together.

Then Tommy was eagerly returning the strong manly embrace, pulling Bobby hard towards him, his head moving from side to side against Bobby's chest in an obvious effort to return the affection.

For a short while they simply enjoyed the warmth of man-to-man physical contact.

But just as soon as Bobby's long forgotten and sublimated needs for the usual human physical contact had surfaced, the feeling was to be almost instantly overcome by his need for his more powerful and basic instinct.

Bobby pulled himself away from Tommy, ordering the stranger to put his hands forward.

Tommy obeyed instantly.

The steel handcuffs were still open and on the stool.

Bobby decided he was going to put them on Tommy and then use him!

Tommy's gaze joined Bobby's, staring wide eyed at the steel handcuffs, yet seemed only too eager to obey.

In an instant Bobby was clicking the hard cold steel securely onto Tommy's slightly trembling wrists.

Bobby made him move forward and bend over the stool, knowing that there was absolutely no possibility of his escape.

As the willing stranger eagerly maneuvered himself over the stool, his beautiful pert arse cheeks stretched the thin fabric of his shorts, and Bobby was ready to initiate him with a sound hand spanking.

He used one hand to keep Tommy's body in place over the stool, and with the other hand started to rub provocatively over the taught thin fabric of his shorts, preparing the soft mounds of human flesh underneath that were his intended target for his ministrations.

Then he began the spanking.

Between each well calculated slap of his hand on Tommy's ripely rounded arse cheeks Bobby continued to rub over the surface of the thin fabric covering his backside.

Tommy's eager response encouraged Bobby to spank him even harder.

Then Bobby responded eagerly to the obvious invitation and started to smack him harder and faster, willingly responding to his frantic pleading for more and more punishment!

After a while Bobby stopped spanking Tommy over his shorts, wanting to move on to more elaborate punishment.

Bobby ordered Tommy to stand.

Tommy's athletically slender body was trembling slightly, but he offered no resistance as Bobby pulled the baggy shorts down to his knees.

Just as Bobby expected, underneath the shorts Tommy was wearing dazzling white cotton Y-front underpants, one of Uncle Peter's mandatory articles of underwear.

Tommy was bent back over the stool and Bobby carefully adjusted the underwear, pulling the delicate fabric this way then that so that eventually the thin white cotton was stretched without a crease over the pair of perfectly fashioned orbs of Tommy's magnificent arse cheeks.

Although he was hankering dreadfully to see the soft naked flesh of Tommy's perfectly rounded arse cheeks, the full bollocks and the thick shaft of his magnificently proportioned cock, Bobby was in no hurry.

Right now he thought he had all the time he needed - and some to spare.

He thought that nobody would disturb him now.

Bobby proceeded to spank Tommy's arse strenuously, knowing from his own personal and painful experience what little protection the thin cotton offered, and just how much each slap hurt.

Again and again, over and over, Bobby's firm hand landed painfully on each Tommy's quivering arse cheeks in turn, causing the hapless victim to begin writhing in agony and start to squeal.

But as much as he knew just how much incredible suffering he was inflicting, Bobby knew that this was to be only the beginning here for young Tommy!

There would be a whole lot worse to come once he'd been accepted into the house!

Bobby's long pent up feelings of frustration were only just beginning to emerge, and he was now being carried away on an irrevocable journey of power and control ... *what was to become a journey of no return.*

The abject fear of the terrifying consequences that might arise from this encounter with Tommy was actually driving him on! For as far back as he could remember until this very moment, Bobby's only real desires had been to serve and be punished - to be humiliated and completely servile to any Master who could offer him such total and absolute submissiveness.

But the magnificent sight of Tommy's incredible and available body had suddenly awakened in him unknown feelings that were completely new and irrationally alien.

He was suddenly enjoying being in control.

And the incredible feeling of absolute power was intoxicating him to the point of almost insanely reckless behaviour.

Keeping his victim bent over the stool, Bobby bent down behind him and slowly pulled his tee shirt up from his back then pulled the thin cotton underpants down to expose Tommy's red raw and painfully inflamed arse cheeks.

Instinctively he licked eagerly at each one, loving the feeling of the intense heat of the agonised flesh against his tongue.

Then he began rubbing his hands over the inflamed flesh of Tommy's arse cheeks, caressing and tantalising each of them with the expert manipulation of his long fingers.

He deftly explored between the inflamed arse cheeks, examining the moistness around the soft pink rim of Tommy's pulsating crack.

He well knew from bitter personal experience just how incredibly arousing these short periods of affection could be - and how they increased the extraordinary dread of what certain agony was inevitably to follow.

Following his long experience as a well trained submissive, Bobby began to spank the Tommy's naked arse cheeks.

Slowly and with only a moderate impact at first.

Carefully gauging Tommy's response as he squirmed over the stool, Bobby gradually increased the severity of his spanking, working on one cheek then the other.

As he stood back to admire his handiwork, memories of Uncle Peter's skilled punishment methodology began to flood into Bobby's mind.

He pulled Tommy away from the stool, making him stand directly in front of him.

There was an unspoken rapport between them as their glazed eyes met.

A strange and alluring understanding of each other's needs.

They were both struggling in their own way to control the situation.

Despite his servile nature, Bobby had never lost his vanity and knew only too well how attractive he was to other men.

So it came as absolutely no surprise to him that Tommy responded to his advances more than eagerly.

They kissed instantaneously, their sensuous lips coming together softly and affectionately at first, then, without warning, both of them struggling for some kind of superiority as their tongues simultaneously plunged into each others mouths and intimately entwined.

They passionately pulled their bodies closer together, each of them rubbing their hands excitedly over each other, both deftly exploring each and every satisfying contour of their virile young bodies.

But Bobby knew that there could be no real contest between them.

He had to have the ultimate power here - he couldn't afford to lose!

He'd been serving Uncle Peter for longer than anyone else in the house, and felt that this gave him some kind of authority.

Some kind of superiority over the other inmates.

And from the response so far he now knew for certain that Tommy was here to be trained as a submissive.

Bobby pulled away and ordered Tommy to strip down to his white underpants.

Tommy was only too eager to obey, and in just a few seconds was pulling off his loose fitting tee shirt and wearing nothing but his tight white cotton Y-fronts.

Tommy's athletic young physique was as perfect as Bobby thought it would be.

In seconds Bobby was sucking on Tommy's pert nipples, the trembling response as he licked and sucked voraciously gave him an incredible thrill.

Despite his new-found authority, the delight of sucking and manipulating another man's cock was still one of Bobby's overpowering desires, *and he wasn't about to let this wonderful opportunity pass him by!*

Still sucking on Tommy's now painfully red raw tits, he gently took hold of the elastic waistband of the underpants, pulling them down just a little.

He was only too well aware that Tommy would have preferred him to have ripped them right off and exposed him totally.

But Bobby had learned well from his Uncle Peter.

He knew how effective the frustration of being kept waiting could be.

He unhurriedly went down on his knees, deftly using his hands to provocatively brush against Tommy's flesh as he went.

Then his eager tongue was licking gently at the thin cotton covering Tommy's large, distending cock, using the tip of his tongue to carefully trace an outline of the burgeoning shaft. Bobby was justly proud of his various sexual techniques, again one of the many benefits of being so thoroughly trained by is Uncle Peter.

He'd been taught to keep a man highly aroused for any time that pleased him ... *or, more to the point in Bobby's case, for any length of time his Master wanted.*

He'd been made well skilled at knowing the physical signs, having been trained to recognise the many and various subtle changes in a man's responses as he approaches climax. It had been his most satisfying duty to keep his Master's cock inside his mouth for immeasurable lengths of time, proficiently adjusting his technique to suit the demands of his Master.

But on this occasion he was playing the Master and despite his earlier defiance he realised that unfortunately there was in fact a definite constraint on his time.

Already the intensely intoxicating manly odour emanating from Tommy's sweat saturated crotch was proving too much even for Bobby's painfully ingrained self control!

He provocatively pulled the underpants down further until finally the long stiff shaft sprung free and the bollocks swung between Tommy's thighs.

Bobby hungrily took Tommy's now liberated and rapidly growing cock voraciously into his eagerly waiting mouth, enthusiastically squeezing the soft warm bollocks!

The long forgotten sensation of being completely in control of another man's sexuality was more incredible than he remembered.

The huge thickly veined shaft and the dark purple bulbous head started growing rapidly inside his insatiable mouth as Booby expertly used his lips and tongue to further arouse Tommy, taking him right to the very edge of his ultimate climax - and then wickedly keeping him waiting there!

Tommy's quivering body and soft moaning noises told Bobby everything he needed to know about what was happening.

As soon as Tommy began trembling more intensely, convulsing on the brink of entering the point of no return, Bobby would pull his head away and let the stiff shaft spring away from him. Bobby suddenly stood up and instantly started kissing Tommy deeply again, taunting him to respond.

Tommy immediately returned the display of raw physical affection, plunging his tongue deep into Bobby's mouth.

As they were deeply entwined and again feeling each other's bodies, Bobby pulled Tommy's underpants down.

Bobby stood Tommy in front of the massive St. Andrews cross and released the handcuffs from Tommy's wrists. Being the of the old-fashioned Hiyatt design that Uncle Peter preferred to use, although they were quickly snapped shut when securing them, it took a much longer time to release them, needing quite a few turns of the screw type unlocking mechanism to release each wrist. Again, the frustration this engendered was just another subtle part of the training and punishments meted out her at the house.

As soon as the handcuffs were off, Tommy was placed standing spread-eagled facing the cross.

Bobby took his time, securing Tommy's wrists and ankles in leather restraints, then securing them to the four corners of the cross.

Then to prevent any further movement he tied a thick rope around Tommy's waist.

The sight was incredibly arousing - and Bobby couldn't prevent himself from feeling over the helpless newcomer's body, concentrating much of his effort on the severely inflamed arse cheeks. The heat of the agonised flesh quivering under his fingers excited Bobby even more, and he began to spank Tommy's arse again!

Tommy's head turned around as the spanking stopped, and his eyes widened in terror as he watched Bobby pick a leather paddle and bring the wicked looking instrument right back over his shoulder!

A loud '*crack!*' reverberated around the chamber as Bobby slapped the paddle hard on Tommy's arse.

Tommy screwed up his eyes, struggling in vain against the restraints as the paddle landed again and again, making the pain on his backside almost unbearable.

But just as Tommy thought he could take no more, Bobby switched to using a leather tawse, *inflicting even more agony!* Then the excruciating feeling of Bobby's hand again as he reverted to spanking Tommy's quivering, agonised arse cheeks. At last, this part of the ordeal was over, and Bobby stood and looked proudly at the results of his handiwork before finally releasing Tommy from his bondage.

Tommy was turned around to face Bobby, and once again there was an extraordinary, unspoken desire between the two handsome youths.

Frenziedly they embraced, this time their hands ecstatically roaming over each others bodies, kissing deeply.

Tommy threw caution to the wind and started to take Bobby's clothes off!

He knew that this might alter the balance of power between them, Bobby made no move to stop him.

But he guessed things were changing for the worse when Tommy stopped short of taking off Bobby's trousers and underpants.

Instead he pulled the trousers down to Bobby's ankles and left the underpants in place.

Although obviously highly aroused by now, Tommy suddenly pushed Bobby away.

Panting slightly, he said

"Does Uncle Peter know you do this to the new boys?!"

Although the voice was soft and provocative, there was a definite undercurrent of intimidation.

Bobby didn't respond immediately - he'd been taken completely off guard! He felt himself blushing. He looked down at the floor and said quietly

"I've never done anything like this before ... honest!"

Tommy responded with a hint of sarcasm

"Well, as a new boy here I guess it'll be my duty to tell Uncle Peter ..."

Bobby interrupted, staring wide eyed and almost screaming out in complete dismay

"NO! Oh please, Tommy, NO. Please don't do that!"

Tommy was smiling, but it was a cynically cruel smile.

"Why not? What'll happen to you if I tell on you?"

Again there was a definite tone of sarcasm in the soft voice.

Bobby spoke quickly and nervously, hesitating as he considered the possibilities.

"I'd get a really, really sound thrashing - a terribly harsh punishment - or worst still I could even get expelled from the house! Please, Tommy, please don't tell!"

"Well ... perhaps I won't tell ... but you're gonna have to let me get my own back on you!"

Bobby gave a deep sigh of relief.

"Thank you ... thank you ... I guess I've got it coming!"

Tommy spread his legs wide.

"Now get down on your knees and suck my dick!"

Bobby's stomach developed it's usual sinking feeling! He'd really enjoyed sucking Tommy's beautiful cock when he was playing at being the top guy. But the humiliation of being forced to do it by a complete novice to the house gave it a whole new dimension.

He knew he had no choice!

He knew how severe the consequences would be if Uncle Peter ever found out what had been going on here today.

Now he was back to being a slave ... and not even a slave to a real Master!

He knelt down and started to suck the cock, but now instinctively waited for the orders he was used to obeying when he was providing sexual services.

"Take it deeper, boy!"

"Sir! Yes, Sir!" Bobby gurgled as he struggled to get more of the hot thick shaft into his mouth.

"Hold the shaft and lick at the head!"

Again Bobby gurgled out and obeyed.

Tommy grabbed at Bobby's ears, now controlling the pace, then thrusting his pelvis forward and virtually fucking his face!

He reached down to grab Bobby nipples, harshly twisting and pulling at them until Bobby was gasping with the pain.

Tommy was simply returning the pain he'd just endured at Bobby's hands, and was desperate to ensure that he returned it in full!

Holding on to the agonised nipples, Tommy joined Bobby on his knees and began to kiss him, then groped at the growing bulge in his underpants.

"Now, pull up your trousers, bend over the stool and get ready for your punishment!"

The feeling of abject humiliation as he was being ordered about by this young newcomer reminded Bobby of his early days here at the house. It had taken him quite a long time – and quite a few harsh punishments – to overcome his sense of resentment. And he was feeling extremely resentful as he bent himself over the stool and felt the familiar pain as Tommy began to hand spank him.

He had to grab on to the legs of the stool when Tommy pulled his underpants down and slapped his naked arse cheeks.

Bobby was amazed – and secretly impressed – by the amount of skill Tommy was showing in his considerable spanking ability. Between each stroke Tommy would rub his hands over the agonised flesh of Bobby's inflamed arse cheeks, expertly squeezing the flesh, tantalising and increasing the pain burning deeply below the surface.

Then Tommy picked up the paddle, hitting him on one cheek then the other, forcing Bobby to grab on even tighter as the burning sensation started to spread further over his painfully inflamed backside.

Blow after blow landed, and Bobby was now regretting what he'd started earlier.

Despite knowing that he'd been completely out of order, he nevertheless promised himself that if this guy was accepted by Uncle Peter, then he'd somehow get his own back.

Bobby's dick grew painfully stiff as he fantasised what he'd be doing to Tommy when they were alone in the dormitory!

Without warning Tommy grabbed the tawse and renewed the thrashing, skillfully aiming the implement between Bobby's quivering cheeks.

In spite of the incredible pain, Bobby once again felt a strange feeling of admiration for this youngster.

Blow after blow lashed his inflamed flesh with incredible accuracy, each stroke criss crossing each other, forming the pattern of pain that Bobby was so familiar with.

Tommy moved around the stool, beating Bobby from every direction.

He stood close to Bobby's head.

"Now suck my dick while I use the cat of nine tails on you!"

Bobby was now genuinely scared of what was going to happen next, but nevertheless obeyed.

As he was taking Tommy's hard cock into his mouth Bobby gurgled

"Oh! Please, No Sir! Not the cat, Sir! I'm begging you, Sir!"

But his pleading was ignored and he felt the wretched agony of the strands of leather cutting painfully into his back.

Tommy was literally fucking Bobby's face as he continued to thrash him.

As well as flogging his back, Tommy would occasionally thrust forward, at one and the same time forcing his cock deeper into Bobby's salivating mouth whilst enabling him to aim the cat between his arse cheeks and hit the delicate hole!

By the time Tommy had finished this part of the beating Bobby's head was swimming with the familiar sensations of incredible pain and extreme pleasure combining, fusing together.

He wasn't at all surprised when Tommy guided him to the cross and proceeded to secure him to it, stretching his limbs.

Tommy renewed his attention to Bobby's bruised nipples as he kissed him, again thrusting his tongue deep into his mouth as he grabbed at his stiff cock and worked on his bollocks.

By now Bobby knew that this would be the passionate prelude to even more beating, but he hadn't reckoned on Tommy's ingenuity!

Holding on to Bobby's stiff dick, Tommy began to use the cat-o-nine tails on his already excruciatingly painful and inflamed nipples!

The expression of uncontrollable exquisite agony on Bobby's handsome young face was now spurring Tommy on, alternately showing extreme tenderness by stroking and fondling his willing victims naked body then flagellating him mercilessly! To add to Bobby's agony, and completely ignoring the struggling youths pleading for mercy, Tommy finished thrashing the hapless youngster by using the leather paddle on his tits, then on his inside thighs.

Over and over the blows fell, and finally, the adrenaline rush became almost too much for either of them to bear!

The secret intimate body language that they had both learned by instinct and experience told them that the ultimate state of desire had been reached simultaneously.

Both of them knew they were each desperately craving sexual fulfillment - the supreme satisfaction that was the ultimate goal of these activities.

The pain ... the humiliation ... the power ... the submission ... all of these incredibly powerful feelings had combined to produce an uncontrollable urge that had to be satisfied.

In no time Tommy had released Bobby from the cross and they were writhing naked on the floor of the punishment chamber.

Both of their lithe young bodies were still feeling the incredibly painful results of their beatings, yet this only added to their extraordinary sense of physical ecstasy as they frenziedly caressed, sucking each others rock hard dicks, licking each others bollocks and arseholes, each of them now desperately trying to give pleasure to the other.

They both knew that in reality neither of them had ultimately won. *They had been merely playing a game with each other.*

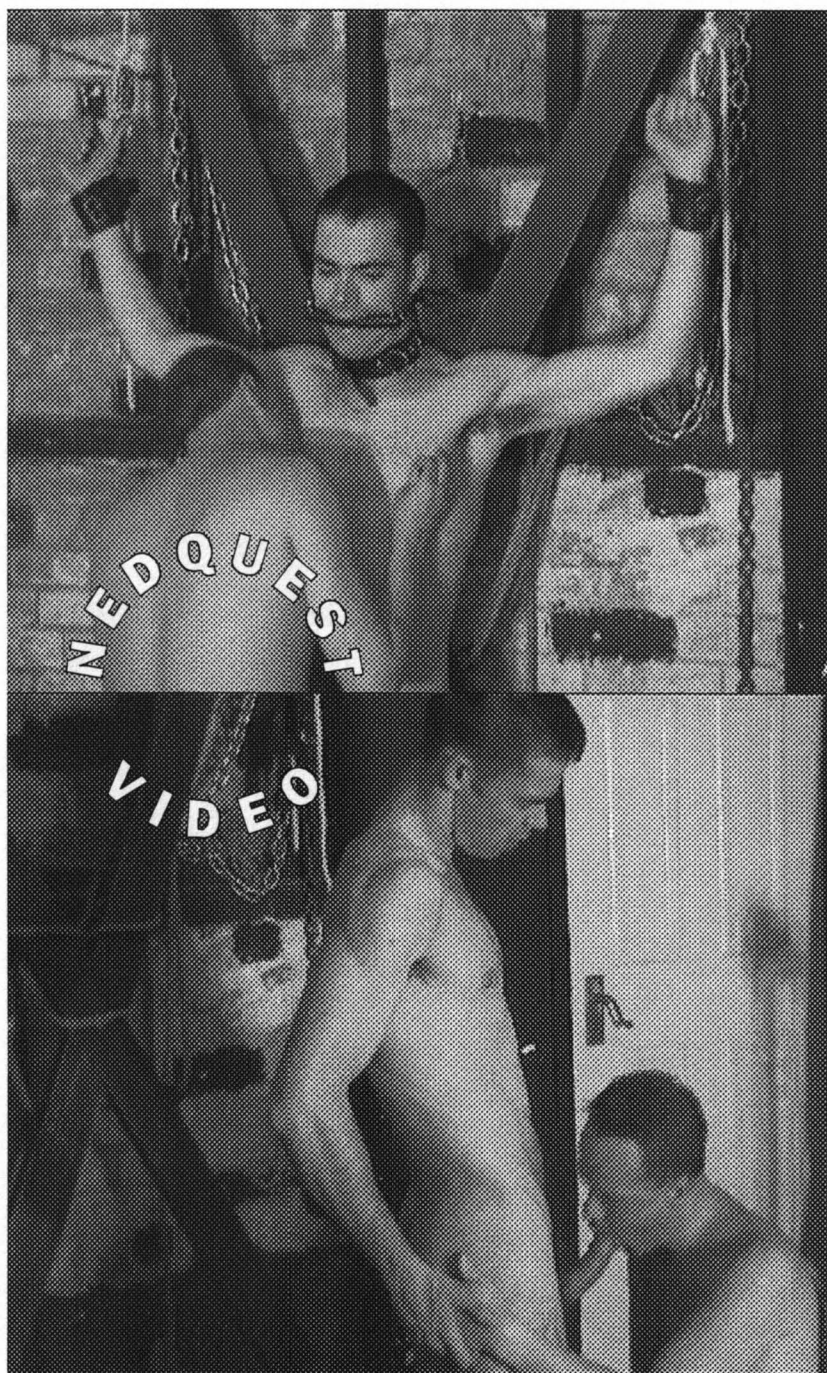

They knew that they were both absolute submissives with the need of a real Master to take complete control of their lives.

As they sucked each other off, they both knew that what they were now doing would result in severe retribution.

And as they simultaneously shot their copious loads of hot sticky spunk into each other they both knew that Uncle Peter's admonishment would be well deserved - and well worth waiting for! What they didn't know was that they'd secretly been watched the whole time by Uncle Peter ...!!

Each issue also includes the latest printed update for The MeetLine - the UK's hottest and busiest phone contact line dedicated exclusively to our special scene's where you can just dial in and listen to the advert that turns you on - you can then leave 'em your reply if you want to!

DV8 is published quarterly, and just like it's associates, it carries hundreds of personal advertisements. Subscribers get a 20 word personal advert absolutely free of charge.

GET SIX OF THE BEST ... FROM THE STORYTELLER! 'THE STORYTELLER'S ANTHOLOGY'

Six of The Storyteller's hottest stories bound together in one sizzling volume!

SCHOOLDAYS - PAINFUL REMINDERS

This story follows the progress of a young lad through public school - his initiation by the older boys - his visits to the games-master for a slippering and to the head for his canings - his relationship as a fag to the 'head' boy. In this story he's really made to work for his 'O' and 'A' levels!

BORSTAL BASTARDS

This story reveals the vicious and sadistic treatment dealt to a young offender in one of the countries most despised institutions. To help support his destitute family the main character turns to crime, gets caught and is sent to an institution to receive his 'short-sharp-shock' treatment. Being young and attractive is soon 'befriended' by the Borstal's head boy and eventually raped.

INCEST BY COMMAND

This story deals with enforced incestuous behaviour - CP - bondage and humiliation. Two brothers are blackmailed into becoming servants (slaves?!) to an older man. They endure thrashings, and are trained to perform all the duties demanded and forced upon them - to obey even when it means total humiliation by performing degrading sexual acts.

BOUND TO PLEASE

This story deals with many forms of bondage, imprisonment and servitude. Captured by a gang of young vigilantes the main character is subjected to imprisonment and harsh interrogation. He is made to endure long periods of bondage secured with ropes, chains, and various other devices. The 'leader' is determined to break his young captive in front of the gang - no matter what it takes!

INFANTILE BEHAVIOUR

This story demeans a mans 'normal' relationships and behaviour. Because he is so weak-willed the main character is easily dominated and finds himself forced to behave and be dressed as a baby. To wear nappies, suck on a dummy, wet his pants etc.

TOTAL SLAVERY

This story involves considerable leather, bondage, corporal punishment as well as yellow and brown action, deprivation and humiliation. For quite a while this 'slave' has been enjoying scenes where he knows he is always in control, but is constantly and frustratingly aware that he needs the 'real thing'. In this story he gets to experience total and complete slavery from a leather clad Master whilst imprisoned and chained in a well equipped dungeon.
